

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

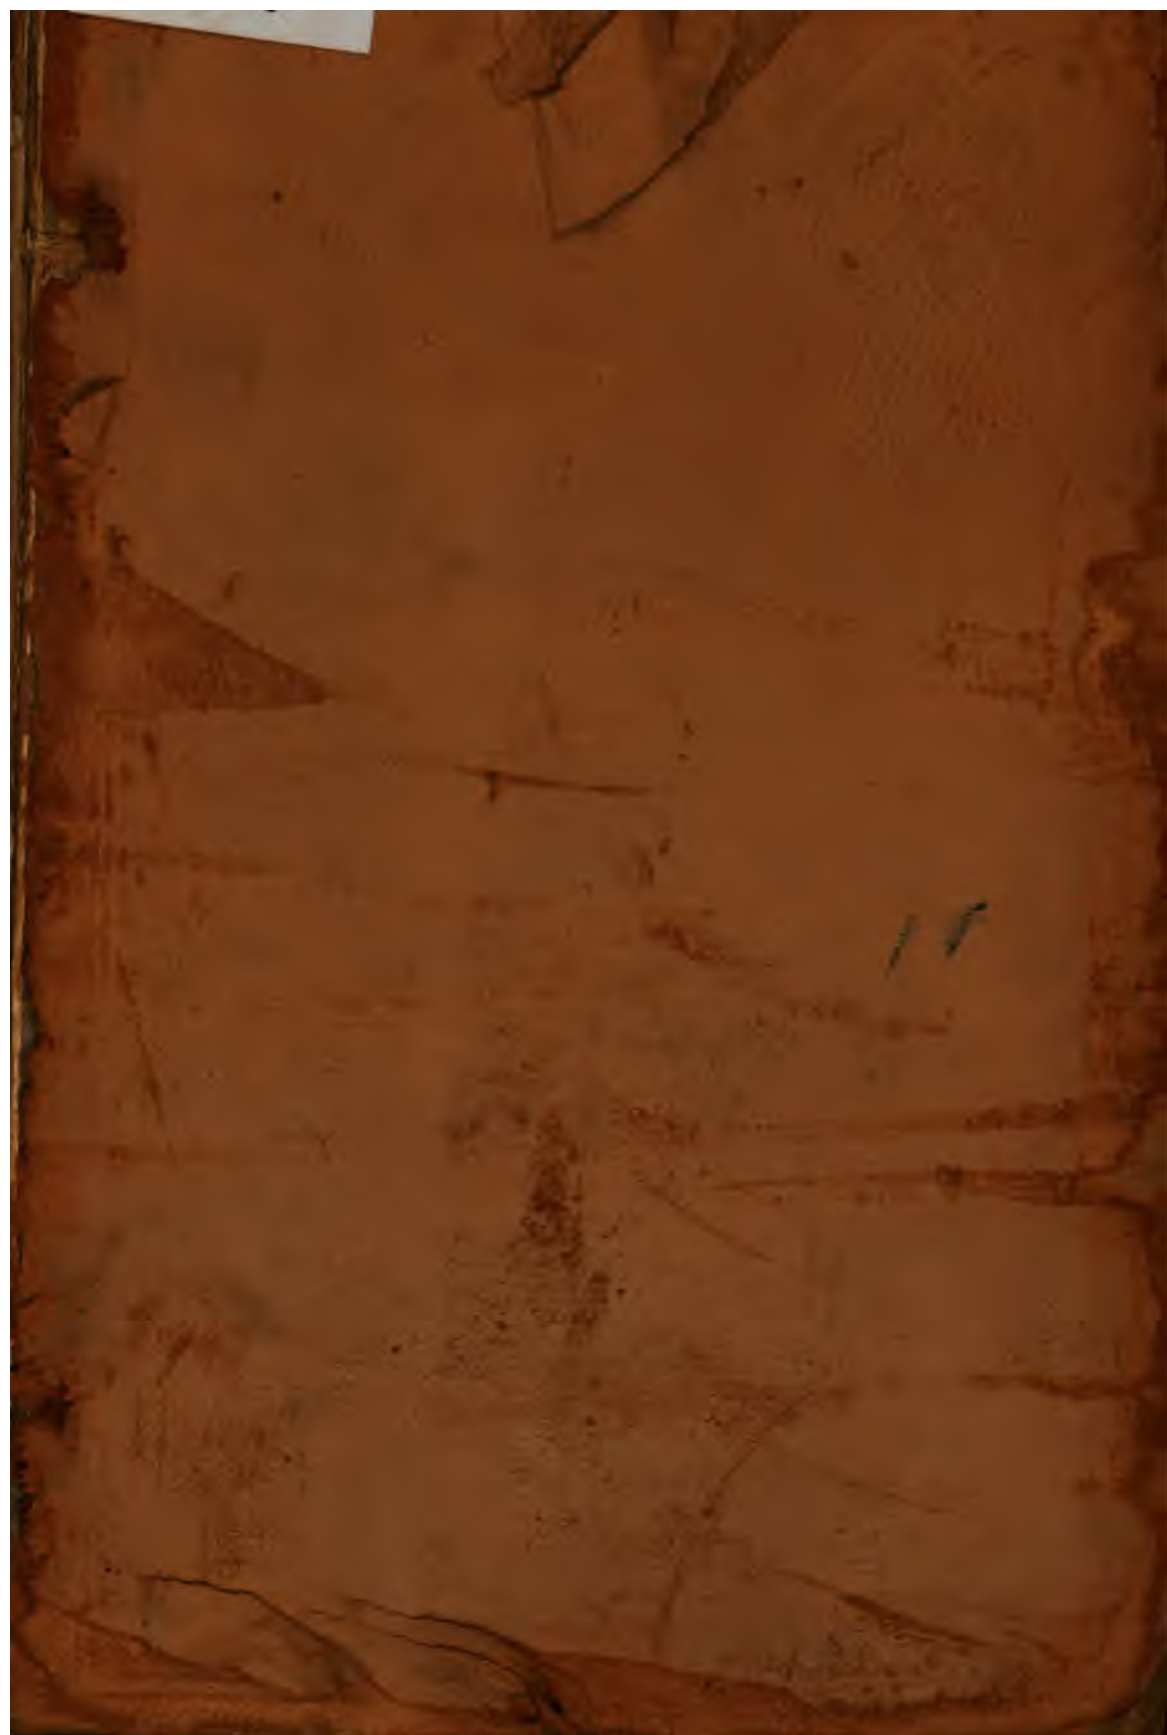

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

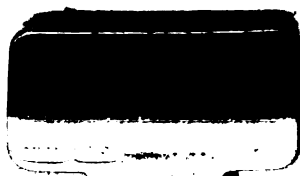

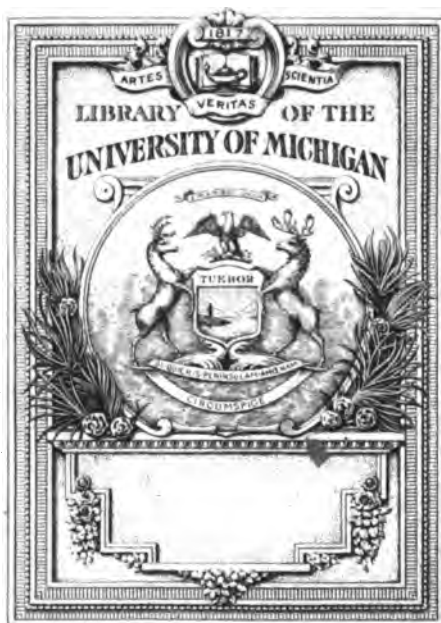

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

A message from the Governor was received and read, in the words following:

STATE OF NEW YORK — EXECUTIVE CHAMBER,

ALBANY, April 5, 1911.

To the Assembly:

I herewith return without my approval Assembly bill (Printed No. 584), entitled "An act making an appropriation for the National Encampment of the Grand Army of the Republic to be held in the city of Rochester, in the month of August, nineteen hundred and eleven."

It was understood prior to the recent disaster that this bill was to be recalled and held until the annual appropriations could be determined upon. Owing to the disaster this was not done. In view of the fact that the amount of the annual budget has not yet been definitely settled, and without passing upon the merits of this appropriation, I, therefore, disapprove the bill.

JOHN A. DIX.

On motion of Mr. C. W. Phillips, said message together with said bill was ordered laid upon the table.

A message from the Governor was received and read, in words following:

[ASSEMBLY JOURNAL.] 147

STATE OF NEW YORK — EXECUTIVE CHAMBER,

ALBANY, April 5, 1911.

To the Assembly:

I herewith return without my approval Assembly bill (Printed No. 441), entitled "An act to release to Emil Riese all the right, title and interest of the people of the State of New York in and to certain real estate in the borough of Brooklyn, city of New York, county of Kings and State of New York."

This bill is unnecessary special legislation. There is ample authority to accomplish the purpose sought by this bill under article 4 of the Public Lands Law, upon the presentation of a petition to the Commissioners of the Land Office for the release of lands the title to which has escheated to the State.

I, therefore, disapprove the bill.

JOHN A. DIX.

On motion of Mr. Schifferdecker, said message together with said bill was ordered laid upon the table.

A message from the Governor was received and read, in the words following:

STATE OF NEW YORK — EXECUTIVE CHAMBER,

ALBANY, April 6, 1911.

To the Assembly:

I herewith return without my approval Assembly bill (Printed No. 486), entitled "An act to amend the Tonawanda city charter generally, and to repeal section five of title two of such charter."

This bill amends the charter of Tonawanda and establishes the office of city sealer of weights and measures, and provides that the salary of such officer shall be \$100 per annum.

I am opposed to the Legislature fixing the salaries of minor officials, for the reason that if a change is needed it cannot be made without further legislative enactment. Such salaries should be fixed by the local authorities under proper statutory enactment, and thus assure to the community affected the full measure of home rule to which they are entitled.

I, therefore, disapprove the bill.

JOHN A. DIX.

On motion of Mr. MacGregor, said message together with said bill was ordered laid upon the table.

A message from the Governor was received and read, in words following:

STATE OF NEW YORK — EXECUTIVE CHAMBER,

ALBANY, April 14, 1911.

To the Assembly:

I herewith return without my approval Assembly bill (Printed No. 1094), entitled "An act to amend the Judiciary Law, in relation to jurors in New York county."

Under the existing law a juror in New York county may be excused from service during a time or times specified in writing not exceeding in the aggregate three months in any one jury year, when sufficient cause therefor is shown.

This bill amends the law so as to extend such time when a juror may be excused not exceeding the aggregate of one year.

The bill is urged by the commissioner of jurors for the reason that it is desired to enable a judge to excuse a juror to a day certain at any time within a year, thus making it possible to hold a juror to service at some time during the year. This bill does not, however, accomplish that result, as it does not require the judge to excuse to a day certain within the year.

Moreover, by being excused to a time after the period in September when the annual jury lists are completed and jurors drawn, an excuse from service for one year would result in failure of service for two years. While it may be desirable to give judges greater control over the power to excuse so that they may secure service at some time during a year, any amendment to the law tending to permit escape from jury duty seems to me undesirable.

I, therefore, disapprove the bill.

JOHN A. DIX.

On motion of Mr. A. E. Smith, said message together with said bill was ordered laid upon the table.

Mr. Speaker presented the annual report of the State Racing Commission, which was laid upon the table and ordered printed.

The Assembly has learned with deep sorrow of the death of George E. Griffin, for many years one of the newspaper representatives accredited to the Legislature. Resolved, That we extend to his bereaved wife and mother our heartfelt sympathy, and that we now adjourn out of respect to his memory.

Ordered, That the Clerk return said bill to the Senate, with a message that the Assembly have concurred in the passage of the same.

On motion of Mr. Merritt, the privileges of the floor were extended to Hon. Chauncey M. Depew.

Mr. Speaker (Mr. Bush in the chair): Members of Assembly, I take pleasure and deem it an honor to introduce Chauncey M. Depew, not only a former member of this House, but a representative of this State in the highest legislative body of the nation (applause).

Mr. Depew: Mr. Speaker and Members of the Assembly: I did not expect to come in a way to be received so gratifyingly to me as I was here to see the ruins (laughter). It is a source of pleasure to be once more in a room where my name has been familiar for some time during the winter (laughter). It is rather

a unique distinction to have been voted for, for United States Senator, for fifty-four days in 1881, and then for seventy-four days thirty years afterward (laughter). That is almost as good as being elected (laughter). The fact is that there are three places in the world I think worth having, one was the Senate of Rome in Cicero's time, and the other is a Senator of the United States at any old time (laughter) and a member of the Legislature of the State of New York always (laughter).

It is interesting to me especially to be here now as I was elected a member of this body fifty years ago this year (applause). And I think it is a tribute to the life-giving qualities of a service in the New York Legislature that after fifty years I have about as much health and vigor as I had when I first came into the door of the Assembly with a larger head than I ever had before and a larger one than I have ever had since (laughter).

My friends in Washington when they raise conversation as to what is taking place in the States and I may say that that is true everywhere that I have been in the United States, the one Legislature whose action is looked forward to with interest, is the Legislature of the Empire State. Having within our borders so many of the elements which constitute a great empire in itself, we are necessarily looked to with the deepest and profoundest attention because we are also a doubtful State, and it has been the record of political parties for half a century that the vote of New York has been the decisive vote as to which party should govern the affairs of the United States.

And, my friends, I wish now collectively, if my Democratic friends will permit me, to extend to the gentlemen of my own party who voted for me during the recent contest for Senator my deep appreciation and my profoundest thanks for that honor.

In retiring from public life there are several ways of doing it; but to retire when your party retires and then, so far as that party can give you its preference and its approval, in the last vote which they will have for the office which you hold and which is to be filled, that I think is quite as great a gratification and quite as great a distinction as to be elected to the office.

My friends, I had a beautiful time during the two terms that I was a member of this House. During one of those terms on account of a political difficulty which arose which debarred the Speaker for the session, I was the acting Speaker during the whole of the term. So that I have had the association both of membership on the floor and the occupancy of this chair. And as one grows older, the mind begins to reminisce and the things that came earlier in life are more precious than those which come when you are more mature; and those early honors coming fifty

years ago I look back to now with an appreciation and a gratification and with a pride much more than what might be regarded as more distinguished honors that have come since. And I regard it also as an infinite opportunity and blessing that I should have been able to live during this wonderful fifty years, from 1861 to 1911, in active touch with the State and of the country. For in all the history of the world and in all the story of all the nations of the world, ancient and modern, there is no story of liberty, of progress, of national development, or power like that which is the United States story for the fifty years which began in 1861 and which will end with the close of the year 1911.

Gentlemen, thanks. (Great applause).

A message from the Governor was received and read, in words following:

STATE OF NEW YORK — EXECUTIVE CHAMBER,
ALBANY, May 2, 1911.

To the Assembly:

I herewith return, without my approval, Assembly bill (Printed No. 671), entitled "An act to amend chapter one hundred and forty-nine of the Laws of nineteen hundred and eight, entitled 'An act to provide for the celebration of the tercentenary of the discovery of Lake Champlain, the appointment of a commission, prescribing its powers and duties and making an appropriation therefor,' as amended by chapter forty-four of the Laws of nineteen hundred and ten, relative to the powers and duties of said commission and extending the time for making its report to the Legislature, and reappropriating the unexpended balance of the appropriation made by chapter four hundred and thirty-three of the Laws of nineteen hundred and nine."

At the time of the creation of this Commission it was supposed and provided in the law that the Commission would complete its duties and make a final report to the Legislature of 1910. By chapter 44 of the Laws of 1910 the law was amended so that this Commission should make its final report to the Legislature of 1911.

It is proposed by this bill to extend the time of the Commission for completing the work and making its final report to 1913, and for such purpose reappropriates an unexpended balance of \$25,833.72. I am of the opinion that this extension is undesirable, and in my judgment would necessitate additional appropriations being asked for this purpose.

I therefore disapprove the bill.

JOHN A. DIX.

On motion of Mr. Foley, said message, together with said bill, was ordered laid upon the table.

A message from the Governor was received and read, in words following:

The amendments made by these two bills changing the present law are not, in my judgment, desirable. For this reason I disapprove them.

On motion of Mr. A. E. Smith, the House adjourned.

MONDAY, MAY 8, 1911.

The House met pursuant to adjournment.

Prayer by Rev. Lewis Sauerbrei, Troy.

On motion of Mr. A. E. Smith, the reading of the journal of yesterday was dispensed with and the same was approved.

A message from the Governor was received and read, in words following:

STATE OF NEW YORK — EXECUTIVE CHAMBER,
ALBANY, May 8, 1911.

To the Assembly:

I herewith return without my approval, Assembly bill Printed No. 108 (Senate Reprint No. 951), entitled "An act to authorize

the Adjutant-General to reopen, try and determine the claim made by John A. Morrissey, private, Seventy-fourth Regiment Infantry, National Guard, for expenses for an operation resulting from injuries received during service."

This bill is objected to by the Adjutant-General of the State, who has filed a report with me recommending that the bill be disapproved. Such report shows that the claim was investigated in 1910 and the commanding officer of the Fourth Brigade, and the major-general commanding the division, recommended that the claim be disallowed.

It is the opinion of the Adjutant-General, based on investigations of this claim previously made, that the basis for the claim is so slight and the claim so little liable to be sustained, that the expense to be incurred by the State in reopening the case would not be warranted.

I therefore disapprove the bill.

JOHN A. DIX.

Whereas, An appalling disaster has recently occurred in a so-called loft building in the city of New York, whereby nearly one hundred and fifty factory operatives met their death; and

Whereas, It is insisted by representative bodies and distinguished citizens who have inquired into the subject that conditions prevail in other similar buildings whereby tens of thousands of operatives are exposed to like peril; and

Whereas, It is likewise insisted by such bodies and citizens that the conditions are aggravated by the continued erection of such buildings, which are devoted to purposes for which they are not ostensibly constructed and for which they are peculiarly unfit; now, therefore,

A message from the Governor was received and read, in the words following:

STATE OF NEW YORK — EXECUTIVE CHAMBER,
To the Assembly: ALBANY, May 10, 1911.

I herewith return without my approval, Assembly bill Printed No. 720 (Senate Reprint No. 1001), entitled "An act to amend the County Law, in relation to trusts for maintenance of cemetery lots and appurtenances."

This bill amends the County Law, in relation to trusts for cemeteries. Under the existing law a county treasurer or city chamberlain designated as trustee may accept the trust or not, in his discretion. This bill proposes to make it mandatory upon such county treasurer or city chamberlain to accept the trust.

I am of the opinion that this mandatory provision is unwise, and for that reason I disapprove the bill.

JOHN A. DIX.

On motion of Mr. Shannon, said message together with said bill was ordered laid upon the table.

Mr. Speaker presented the annual report of the Commissioners of the State Reservation at Saratoga Spa, which was laid upon the table and ordered printed.

Mr. A. E. Smith moved that the House proceed with business during the pendency of the call.

Mr. Speaker put the question whether the House would agree to said motion, and it was determined in the affirmative.

Mr. Spielberg: Mr. Speaker, I move that the House request the committee on rules to place on special order second and third reading, on the calendar, the concurrent resolution introduced in the Senate and the Assembly, proposing an amendment to section one of article two of the Constitution in relation to the qualification of voters. This motion is somewhat different than the one that has been introduced year after year, to discharge the committee on judiciary from the further consideration of this measure. This motion is merely to request the committee on rules to report in its advisory capacity, and respectfully urges the committee on rules to give careful consideration to this measure and to report it out to this House.

Mr. Cuvillier: Mr. Speaker, I raise a point of order. Under the rules of the House, Amended Rule 54, the gentleman is not in order, "No standing rule or order of the House shall be changed, suspended or rescinded unless one day's notice shall have been given on the motion." He makes a motion to have the rules

committee place on the calendar a special order for second and third reading. I claim, Mr. Speaker, that he is out of order in not giving them one day's notice.

Mr. Speaker: The Chair holds this point of order not well taken.

Mr. Cuvillier: I raise a point of order.

Mr. Speaker: The gentleman will state the point of order.

Mr. Cuvillier: Rule 23 says, "During the last ten days of the session a notice may be given requesting that any matter be made a special order, or that the rules be suspended for the purpose of reading a bill out of its order, which shall be referred, without debate, to the committee on rules." Now, he has made this motion. I don't know how he has the right to debate.

Mr. Speaker: What right has the gentleman from New York to assume that we are within ten days of adjournment?

Mr. Cuvillier: By virtue of this Rule 23.

Mr. Speaker: The Chair holds that the point of order is not well taken. The House is acting under the special rule adopted Monday night.

Mr. Cuvillier: It is not a question as to the women suffrage bill, or any other bill. There seems to be some doubt, Mr. Speaker, among the members, the older members of this House, if a motion can be made to discharge the rules committee on any bill. Now that is a serious question. I have been a member of this House for a number of years, and it has yet to be known to my knowledge that a member could get up on this floor, and move to discharge rules committee from the consideration of a bill only on giving one day's notice. Now, Mr. Speaker, I would like to have that explained to the House.

Mr. Speaker: The question has been ruled on and the gentleman will address himself to the question before the House.

Mr. Cuvillier: I will yield to Mr. J. S. Phillips.

Mr. Speaker: Mr. J. S. Phillips is recognized.

Mr. J. S. Phillips: Mr. Speaker, I desire to raise the point of order, that we may have a ruling to guide us for the rest of this session: that under the special rule adopted Monday night; which is in the language of Rule 23, with the exception instead of reading "The last ten days of the session" it reads "On and after

May 7th;" and then the balance of the special rule is in the language of Rule 23. I desire at this time to raise the point of order that the gentleman from New York, Mr. Spielberg, is out of order, unless he has given notice to the rules committee.

Mr. Speaker: The Chair has already ruled on that question, and will not change his ruling. One day's notice is not required.

Mr. Speaker put the question whether the House would agree to said motion, and it was determined in the negative.

STATE OF NEW YORK — IN ASSEMBLY.

In the matter of the contest of Sol. H. Eisler to the seat of Harry Kopp, member of Assembly from the Sixth Assembly District of the borough of Manhattan, county of New York.

To the Honorable Assembly of the State of New York:

Your committee on privileges and elections to whom was referred the above named contest begs leave to submit the following report:

Notice of contest was filed with the Clerk of the Assembly and referred to your committee, January —, 1911.

That the complaint which was filed and served herein states the following ground of contest:

1. That during all the times hereinafter mentioned the contestant was and still is a resident of the borough of Manhattan, city of New York, a citizen of the United States, and as such was a duly qualified candidate for member of Assembly from the Sixth Assembly District in and for the county of New York.

2. That on or about the 8th day of October, 1910, at a convention regularly and duly held at No. 247 Seventh street, in the borough of Manhattan, city of New York, this contestant was duly nominated in conformity with the Primary Election Law, by the delegates duly chosen, who did nominate as the Democratic candidate for member of Assembly from the Sixth Assembly District, Sol. H. Eisler.

3. That thereupon the said Sol. H. Eisler, having been notified of the said nomination tendered to him, did duly accept said nomination and signified in writing his intention to accept said nomination of member of Assembly of the Sixth Assembly District of New York county.

4. That thereafter and on the 8th day of November, 1910, at the general election held in the Sixth Assembly District of the county of New York, one Harry Kopp was, as a result of said election, declared elected to the office of member of Assembly from the Sixth Assembly District of New York county.

The contestant respectfully alleges:

1st. Upon information and belief that on or about the 8th day of October, 1910, the said Harry Kopp was placed in nomination by the Independence League of the Sixth Assembly District of New York county, a political body, formed in conformity with the Primary Election Law. That no notice of the time when and the place where the said convention was to be held was given to any of the delegates to said convention, and that the chairman of the said convention, designated by the chairman of the Independent League county committee to call the roll, acted as chairman of the said convention, contrary to the Primary Election Law, and that the place where the said convention was held was not a public place, and that the public were denied admission to the said convention; that the said convention was held in the residence of one of the delegates in a room which was not sufficiently large to accommodate the said delegates or the public, and was in the same building where the said Harry Kopp resided at that time and still reside. That the delegates were denied the privilege of expressing themselves upon the floor. That the entire

proceedings leading to the nomination of said Harry Kopp were unfair and contrary to the spirit and intent of the law. That said delegates were denied their rights.

The contestant further alleges:

2d. Upon information and belief that on the 8th day of November, 1910, when the ballots were counted in the different election districts of the Sixth Assembly District, there were valid ballots cast for the contestant and marked "void" and not counted, and that ballots cast for the contestant were marked "protested" and not counted, in violation of the Election Law of the State of New York; and that void ballots were counted for Harry Kopp, which was in violation of the Election Law of the State of New York.

3d. Upon information and belief that upon inspection of the ballots and a recount of the same, it will be found that Sol. H. Eisler received more ballots than Harry Kopp for the office of member of Assembly from the Sixth Assembly District, and is therefore the duly elected Assemblyman of the said Sixth Assembly District.

Wherefore this contestant prays that Harry Kopp be declared illegally elected, and that Sol. H. Eisler, the contestant herein, be declared nominated member of Assembly from the Sixth Assembly District.

That Harry Kopp the respondent herein answering said complaint and petition shows and alleges:

1. He denies each and every allegation contained in paragraph designated "1st" of the complaint herein, except that he admits "that on the 8th day of October, 1910, he was placed in nomination by the Independence League of the Sixth Assembly District of New York county, a political body, formed in conformity with the Primary Election Law."

2. He denies each and every allegation set forth in paragraph designated "2d" of the complaint herein.

3. He denies each and every allegation contained in paragraph designated "3d" of the complaint herein.

Wherefore this respondent prays that the petition of Sol. H. Eisler, the contestant herein, be dismissed, and that respondent receive such other and further relief as in the premises may seem just and proper.

That the contestant was represented by Adolph Stern of 346 Broadway, New York city, and the respondent by Nathan D. Perlman of 170 Broadway, New York city.

That your committee held meetings for the consideration of said contest February 11th, 18th and 25th, March 4th, 11th, 18th and 25th, April 1st, 8th, 15th, 23d and 29th and May 6th receiving evidence therein and hearing argument of counsel.

That your committee has carefully reviewed said petition and the evidence in support of the allegations therein and the evidence of said respondent thereto. Upon due deliberation and consideration of said evidence your committee finds that the contestant has failed to establish proof to his right to the seat now held by Harry Kopp from the Sixth Assembly District, borough of Manhattan, county of New York, and that said Harry Kopp was duly elected to said office and is entitled to such seat for a period of one year beginning January 1, 1911, and ending December 31, 1911, and your committee would therefore recommend that a resolution be passed to carry into effect the findings of this report.

All of which is respectfully submitted.

Dated, Albany, N. Y., May 11, 1911.

THOMAS A. BRENNAN, Chairman,
JOHN J. McKEON,
